

Faculty Name	Prof. Shubham A. Chougule	
Department	Mechanical Engineering	
Experience	05 years	
Area of Interest	Finite Element Analysis	
Email Id	prof.shubham1971@gmail.com	
Contact Number	+91-8880006321	

Seminars /Workshops attended: 03

1. **Attended online course** on “*Remote sensing GIS & GPS Application in Engineering*” and certified by National Institute of Technical Teachers Training and Research, Chandigarh. Organized by Angadi Institute of technology and management, Belgaum.
2. **Attended course** on “*CNC Part Programming on Turning Centre* ” and certified by at Ace Micromatic Group , Pune.
3. **Attended Short term training programme** on “*Arc Welding Processes & Physics of Welding*” and certified by National Institute of Technical Teachers Training and Research, Kolkakta. Organized by Angadi Institute of technology and management, Belgaum.

Paper Publication: 01

1. Prof. Shubham A Chougule “*Computational Fluid Dynamics Approach to Pressure Drop Analysis of Spool Type Directional Control Valve*” International Research Journal of Engineering and Technology (IRJET) volume 4, issue 9,may 2016

Internship/conference:

- 1.Completed Internship at "**Integral Hydraulics**" Belagavi
2. Completed Internship at "**Three Axis Solutions pvt.ltd**" Pune

Recognized State/National/International Projects: NIL
