Organizational chart and processes

Nature and extent of involvement of Faculty and students in academic affairs / improvements

- The institute ensures that our students rise beyond the average and set remarkable standards through novel thinking and creative abilities which are imbibed in them during their learning years at our institution. We follow a unique blend of academic yet industry friendly curriculum and innovative yet value driven culture building a strong foundation for our leaders of tomorrow.
- The special emphasis is on Outcome Based Education (OBE) and Experiential Learning. The academic activities concentrate on helping the students to gain an excellent theoretical knowledge base and in the development of skills to implement them.
- We are constantly reviewing our set up to update and improve while making sure that students gain thinking skills, analytical frameworks, entrepreneurial skills, interpersonal and communication skills. Impetus for research with a focus on identified interdisciplinary areas.
- Our excellence is not just confined to the classroom; we are also notably active in conducting conferences, workshops, seminars, Research and other co-curricular activities. These activities expose students to aspects beyond the curriculum, thus adding value to their professional success.

Mechanism / Norms and procedures for democratic / good governance

Governing Council takes the important decisions. Institute follows the administrative set up as per the Organizational Chart. Decisions are made at appropriate levels in the hierarchy. Principal is the academic and administrative head of the institution. The principal being the head of the institution acts as liaison between the management, staff and students. He takes all the measures to implement the policies and decisions taken by the government body. Service rules, procedures, recruitment, promotional policies have been formulated as for the guidelines of the competent authorities like affiliating University (VTU), AICTE and are approved by the governing body.

Student Feedback on Institutional Governance / Faculty Performance

Institute is committed to deliver excellent education to the students along with the necessary infrastructure and facility.

Feedback plays an important role in determining the extent of delivery to the students and helps assess the teaching learning process at the institute.

At the end of the semester feedback is collected from students on faculty performance for a given subject and on the facilities provided by the institute.
