

## 2018 Batch

Giridhar Agadi - 2JR18ME009

My experience at JCER has been both enriching and memorable. The institution has significantly contributed to my personal development. I have cultivated my leadership, time management, and teamwork skills, advancing them to a new level of proficiency. The mentors at JCER have been instrumental in enhancing both my academic and interpersonal abilities. I am grateful to the Training and Placement Cell for providing a platform to further develop my skills and for offering opportunities to demonstrate them.

Mrunal Birje - 2JR18ME017

My four years at JCER were truly exceptional and will be cherished for a lifetime. This period was marked by significant learning and personal growth. I had the opportunity to meet a diverse array of individuals and gained invaluable insights. I am grateful to all the faculty members, mentors, and the placement cell for their support. Overall, my experience at JCER was remarkable and has left me with lasting memories.

Praveen Barad - 2JR18ME021

JCER is an institution that embodies learning, culture, literature, and numerous enriching activities. My experience studying at JCER has significantly enhanced the quality of my life. The mentors here played a vital role in developing both my academic and interpersonal skills. I hold immense respect and gratitude for all the faculty members and the department; their dedication has been instrumental in shaping me into a better professional. Additionally, my regular interactions with the Placement Team motivated me to excel in interviews and to cultivate essential skills for future success.

Sejal Pingat - 2JR19ME419

My time at JCER has strengthened me and advanced my personal development. I am deeply grateful to all the teachers who supported and guided us throughout our bachelor's program. I also appreciated the excellent infrastructure of JCER, which provided an opportunity to meet diverse individuals and acquire a wealth of knowledge. I received invaluable support from the faculty and the placement office. I extend my thanks to the Training and Placement Cell for offering a platform to enhance my skills and for providing opportunities to showcase them.

## 2019 Batch

Kushal Walagad - 2JR20ME402

I take great pride in being a student at JCER. The teaching and guidance offered here are truly unparalleled. The institution has provided an ideal blend of technical and soft skills, preparing me effectively for the industry. It has been an honor to study under the guidance of such experienced faculty members.

Mahek Soudagar - 2JR19ME006

I spent four years studying at JCER, and this period has been truly unforgettable. JCER excels not only in providing professional education but also in caring for its students. My learning experience was greatly enriched by the remarkable efforts of all the teachers, who taught me not only to learn but also to explore. I would like to extend my gratitude to all the faculty members for their support and for helping me launch my career successfully.

Namrata Hiremath - 2JR19ME009

My experience at JCER was enriching in terms of both technical skills and placement training. The teaching style was highly impressive, fostering an engaging learning environment. I extend my gratitude to the Mechanical Department and its faculty members for their encouragement, as well as to JCER for its pivotal role in shaping my career.

Tejan Shinde - 2JR19ME024

I have had a remarkable experience studying at JCER, characterized by a comfortable learning environment, supportive staff, and excellent resources. The campus offers a wide array of activities that allow students to engage and enrich their campus life experience.

## 2020 Batch

Omkar Walked - 2JR20ME011

My journey at JCER was truly magical; the four years were filled with memorable and joyful learning experiences. The friendly demeanor of the teachers made a significant impact on my college days, facilitating my academic achievements through their approachable methods. This overall experience was fantastic, as the educators here are not just instructors but often become friends and personal mentors, guiding us through our challenges.

Rahul Patil - 2JR20ME012

I feel immensely privileged to have been a part of JCER. My experience there was truly remarkable. I had the opportunity to attend lectures by some of the leading professors in the field and to learn in an environment that was both challenging and supportive. The college provided me with all the necessary resources to pursue my studies and build my career, for which I will always be grateful.

Vaibhav Raibole - 2JR20ME015

I consider it a great privilege to have been part of JCER, where I had the opportunity to grow both personally and professionally. The entire faculty and department spare no effort in shaping students' futures. My four years at JCER have provided a wonderful learning experience, complemented by significant exposure to the outside world. I hold immense respect, gratitude, and admiration for all the faculty members and the department, as their dedication has played a crucial role in my development as a professional.

Varsha Holennavar - 2JR20ME016

It brings me immense pleasure and pride to be a part of JCER. The cordial relationship between students and faculty fosters an environment that allows me to excel in my areas of interest. The institute boasts state-of-the-art infrastructure, extensive library resources, and laboratories equipped with the latest technologies, all set within a clean and green campus. My time here has been truly magnificent, contributing significantly to my growth both professionally and personally.
